Hannes Kinnunen

📍 Oulu, Finland ● Steellow

✉ hannes.kinnunen@gmail.com ➤ hanki.dev

Motivated junior developer who is interested in mobile- and web-development. Looking for a junior-level development position to gain real-world experience. Currently studying programming at Oulu University of Applied Sciences.

Skills and Project Highlights

Mobile (Android)
- Created my first apps with Java in Android Studio
- Soon switched to Flutter, which I have most experience with
- Have released a few apps on Google Play

Irti nuuskasta! ⧉ | *Fuel Consumption Tracker* ⧉ | *zoomable_tilt_view (package)* ⧉

Web
- Currently learning React
- Started learning web development last year (2020)
- HTML, CSS, JavaScript, jQuery, Bootstrap, Tailwind CSS
- Have a few web apps on GitHub

Compound Interest Calculator ⧉ | *Alphabetizer* ⧉ | *Name Application* ⧉

Other
- Completed the 'Java Programming I" MOOC course by University of Helsinki in 2019
- Created Python scripts for computer class management at Finnish Defence Forces
